

North Marion Fellowship Intercessory Ministry

What is it? We have a group of committed intercessors (people praying) who pray weekly for families and individuals at North Marion Fellowship. They also desire and pray for any requests/needs, that a person or family may have.

How long will they pray for me and my family?

The intercessors are committed to pray for you until you leave NMF. We are committed for the “long haul” to pray and see God do great things in your lives.

How can I and/or my family receive an intercessor?

Two ways:

1. North Marion Fellowship needs to be your home church (*membership is not required for this*).
2. Sign up and drop in the offering basket or turn into Pastor Jim.

I am interested in being an Intercessor.
What do I have to do?

We require all of our intercessors to go through a training time. We want each person involved to understand and agree with the requirements and direction of our Intercessor ministry.

- I/my family desires an Intercessor to pray for us weekly.
- I desire to know more about becoming an intercessor.
